The board discussed the open ethics complaint brought forth by resident Steve Trefethen. After reviewing the Petitioner Information Form and viewing the Town Hall Meeting in question, the committee finds sufficient evidence that Marilyn McGrath's actions caused an act of questionable ethics violations according to the Town of Hudson charter section 53-4.10, Prohibited Conduct. The Ethics Committee strongly recommends that Selectwoman Marilyn McGrath recuse herself from any and all boards and committees that interact with the public until the complaint can be discussed in a public forum.
